

# Practical information

The school property is at your disposal for the session;  
please respect it and if possible improve it.

**The last person leaving any room or building  
Should turn the lights off.**

## Mountain activities are at your own risk

Before any hike or climb, please put a note in the special book provided and include the names of the participants, approximate itinerary and schedule. We draw your attention to the fact we only hold a collective insurance for accidents occurring on the school campus.
